ORDER

REAGAN, District Judge:

In April 2012, the parties advised the Court that the above-captioned action had been settled in its entirety but that additional time was needed to finalize the settlement documents. As a result, the Court entered a 60-day order. Two extensions of that 60-day deadline were granted (Docs. 27, 29).

On August 27, 2012, Plaintiff filed a motion advising the Court that settlement has been completed and asking the Court to dismiss the action with prejudice. Accordingly, the Court **GRANTS** the motion (Doc. 30) and **DISMISSES** this action with prejudice, with costs to be borne in accordance with the settlement agreement between the parties.

IT IS SO ORDERED.

DATED this 29th day of August, 2012
